August 31: Parallel Sessions at Bella Center Copenhagen

5

# August 31

## Parallel Sessions at Bella Center Copenhagen

On 31 of August a wide range of parallel sessions are taking place in Bella Center. The sessions are hosted by different organizations. The sessions are addressing solutions and best practices to ensure sustainable food systems and healthy lives. See the program of the different sessions here:

### 1 Learn4Health I

Focus on how to create a better understanding of food, food education nutrition and health for children and young adults, as well as to develop new strategies where children are placed in concrete hands-on learning contexts and activities in relation to these themes.

## World Food Summit 2018

August 31: Parallel Sessions at Bella Center Copenhagen

6

### **3 Food Loss and Waste - Solutions of tomorrow by Denmark**

Focus on the extent of losses and waste in food production and understand at which stage of the value chain they occur. It showcases how the Danish food system tackles food loss & waste and secures high food safety & quality by collaborative strategies.

[See program for this session](#)

### **4 Food Communities and Social inclusion**

Focus on the impact of wasted food and collaboration to use surplus food and at the same time improve outcomes for the people we serve.

[See program for this session](#)

### **5 Food waste is a fact – this is how we handle it**

The sessions at Bella Center serves as a platform for interaction, insight and impact bringing together international, political decision makers, industry leaders and experts, as well as gastronomy frontrunners to discuss food challenges of global relevance and develop solutions to be turned into locally anchored actions across the globe.
